## Sport for all – history of a vision around the world

The ISHPES congress 2018 (July, 18-21) will take place in the city of Münster, situated in Westphalia, Germany. Westphalia is a western region of Germany close to the Netherlands. Münster has about 350.000 inhabitants, including about 50.000 students and is well known as a green and academic “bicycle city”, with a high quality of life.

### Staying in Münster

The venue of the congress – the Franz-Hitze-Haus – is located a few kilometers from the Institute of Sports Science, but only ten minutes away from the city center – if you go by bike or bus. The bus is free for congress participants. The Franz-Hitze-Haus is distinctly “gemütlich” (cosy and pleasant), convenient and ideal for the purposes of our ISHPES congress. It offers hotel rooms, seminar rooms and a catering service. Staying in the Franz-Hitze-Haus costs 70 Euros for a single room and 50 Euros for a double room, both including breakfast. Of course, there are also cheaper hotels and hostels in Münster, as well as more luxurious ones.

### Travelling to Münster

Münster is the administrative center for the region of Westphalia and therefore, it is quite easy to get here. If you are travelling by car, you can take the Autobahn (Highway) A 1 or A 43. If you are travelling by plane, you will find many airports in Germany, for example in Frankfurt or in relatively nearby Düsseldorf. There is also a small airport called Münster/Osnabrück, which is only 30 min away from the city (bus connection).

### Congress fee

The fee (250/270 Euro) includes a welcome reception with drinks and finger food, coffee breaks with hot beverages, cakes and fruit, lunch (buffet), a social evening with drinks and food, special rates for recommended hotels, free public transportation in Münster, a guided city tour and a special price for the German Railway (Deutsche Bahn) on your journey to the congress.

The Early Bird registration begins on March 20, 2018 and ends May 15, 2018. Regular registration begins 6 weeks before Congress opens: June 1, 2018.
